## PHILMONT TREK SUMMARY - 2005

## PROGRAM SUMMARY

RATING (See Note 1)	TREK #	MILES (See Note 2)	REGIONS	DAY 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 6	DAY 7	DAY 8	DAY 9	DAY 10	DAY 11	DAY 12	PEAKS	NOTES	FOOD PICKUPS	PROGRAM SUMMARY	
				<b>NOTES TO USERS:</b>																
				1. Left Trek Rating assigned by Philmont in <i>TREKS</i> . Right Trek Rating is a re-assessment considering total miles and difficulty of the last day hike across Tooth Ridge.																
				2. Mileages listed are: first per <i>TREKS</i> , second per <i>TREKS</i> Elevation/Distance chart, third (if listed) per 2003 <i>Philmont Interactive Ranger</i> profiles, and the fourth (LARGE) are 2003 <i>Philmont Interactive Ranger</i> values adjusted for consistency among treks regarding food pickups, sidehikes to programs, etc., as described in "Notes" column.																
				3. Program shown <i>in italic</i> on Trail camp days are not listed in the <i>TREKS</i> booklet, but the itinerary passes near or through a Staffed camp with program.																
				4. Programs shown <i>in italic</i> at Staffed camps are not listed in the <i>TREKS</i> booklet for that particular itinerary (horse rides being the sole exception - listed only if included in <i>TREKS</i> ).																
				5. Dinners in <i>italic</i> are not listed in the <i>TREKS</i> booklet, but are noted as one less meal in the "menu no." column.																
				6. Elevations are from a posting of GPS coordinates for Philmont camps by R. Dudley Koy, M.D. @ <a href="http://www.lns.cornell.edu/~seb/philmont-waypoints.html">http://www.lns.cornell.edu/~seb/philmont-waypoints.html</a> an <i>Philmont Interactive Ranger</i>																
				7. Itineraries can and do change from year to year <b>verify with the latest <i>TREKS</i> booklet before sending in your itinerary selection card!</b>																
				<b>PRINTING SUGGESTIONS</b>																
				1. This spreadsheet is designed to be printed on five (5) pages in landscape mode, plus these notes. On 8 1/2 x 11 sheets, the program summary should not be included, and the print will still be small! The program summary can be included if printed on 8 1/2 x 14 sheets. For ease of use (and to reduce eye strain) print on 11 x 17 sheets, if you have access to a printer that can handle that size paper or enlarge to that size by photocopying.																
				2. If the crew has identified several programs as their preferences, changing those columns in the Program Summary <b>bold</b> and/or a larger font will make itineraries with those programs stand out from the others.																
				Questions / Corrections / Comments / Suggestions should be forwarded to Alan Thomson via e-mail <a href="mailto:athomson@alumni.lehigh.edu">athomson@alumni.lehigh.edu</a>
