<p>NOTES TO USERS:</p> <p>1. Left Trek Rating assigned by Philmont in TREKS. Right Trek Rating is a re-assessment considering total miles and difficulty of the last day hike across Tooth Ridge.</p> <p>2. Mileages listed are: first per <i>TREKS</i>, second per <i>TREKS</i> Elevation/Distance chart, third (if listed) per <i>2003 Philmont Interactive Ranger</i> profiles, and the fourth (LARGE) are <i>2003 Philmont Interactive Ranger</i> values adjusted for consistency among treks regarding food pickups, sidehikes to programs, etc., as described in "Notes" column.</p> <p>3. Program shown in <i>italic</i> on Trail camp days are not listed in the <i>TREKS</i> booklet, but the itinerary passes near or through a Staffed camp with program.</p> <p>4. Programs shown in <i>italic</i> at Staffed camps are not listed in the <i>TREKS</i> booklet for that particular itinerary (horse rides being the sole exception - listed only if included in <i>TREKS</i>).</p> <p>5. Dinners in <i>italic</i> are not listed in the <i>TREKS</i> booklet, but are noted as one less meal in the "menu no." column.</p> <p>6. Elevations are from a posting of GPS coordinates for Philmont camps by R. Dudley Koy, M.D. @ http://www.ins.cornell.edu/~seb/philmont-waypoints.html and <i>Philmont Interactive Ranger</i></p> <p>7. Itineraries can and do change from year to year - verify with the latest <i>TREKS</i> booklet before sending in your intinerary selection card!</p>																																																								
<p>PRINTING SUGGESTIONS</p> <p>1. This spreadsheet is designed to be printed on five (5) pages in landscape mode, plus these notes. On 8 1/2 x 11 sheets, the program summary should not be included, and the print will still be small! The program summary can be included if printed on 8 1/2 x 14 sheets. For ease of use (and to reduce eye strain) print on 11 x 17 sheets, if you have access to a printer that can handle that size paper or enlarge to that size by photocopying.</p> <p>2. If the crew has identified several programs as their preferences, changing those columns in the Program Summary to bold and/or a larger font will make itineraries with those programs stand out from the others.</p>																																																								
<p>Questions / Corrections / Comments / Suggestions should be forwarded to Alan Thomson via e-mail @ athomson@alumni.lehigh.edu</p>
